*** It is City policy to adopt a balanced budget. In most cases, encumbrance balances exist at year-end. These encumbrance balances are obligations of each fund and must be reported at the beginning of each fiscal year. In addition, a corresponding appropriations entry must be made in order to accomodate the 'carried-over' encumbrance amount. Most differences between budgeted annual revenues and expenses are due to these encumbrance carryovers.*

*** The legal level of budgetary control is at the department level for the General Fund. Therefore, as long as the department as a whole is within budget, budgetary compliance has been achieved. The City actively monitors the budget status of each department and takes measures to address potential over budget situations before they occur.*

For Enterprise and Internal Service Funds, the legal level of budgetary control is at the fund level. The City also monitors and addresses these fund types for potential over budget situations.
